EMOTION

AN ERASMUS MUNDUS MASTER

THE EUROPEAN MASTER IN TRANSLATIONAL
COSMETIC AND DERMATOLOGICAL SCIENCES

A two-year Master degree co-funded by the European Union that focuses on research and development of drugs and cosmetics. Fully taught in English, it benefits from an international melting pot of students.

Students will study in Italy and in at least one other European country (Belgium, Spain or Germany) and will obtain a double degree. Three thematic workshops on soft skills and the involvement of industry will give students a cutting edge.

We are looking for motivated and bright students with a strong academic record, an interest in research and an inclination for entrepreneurship.

QUICK FACTS

✓ A unique Master devoted to R&D of cosmetics and dermatological drugs

✓ An international thriving environment with the possibility to travel

✓ An Erasmus Mundus Master degree fully taught in English

✓ Erasmus Mundus scholarships that cover tuition, travel and subsistence

✓ Excellence in research joined to excellence in teaching

✓ Strong ties with the academic and industrial world

✓ Fostering entrepreneurship and excellence

✓ Dedicated workshops to prepare tomorrow's leaders in the field
